Looking to gain further experience in the supply chain industry through internships.*

## EDUCATION

York College of Pennsylvania, York, PA Exp. Grad. May 2023  
Bachelor of Science, Supply Chain Operations Management GPA 3.6  
Dean's List Aug 2019 - Dec 2020

## EXPERIENCE

SalonCentric – Active Cosmetics Division, Manchester, PA  
*Process Improvement Intern* *May 2021- Present*

- Perform time & motion studies on employees working in the picking/packaging department
- Reduced non-value-added times by 15% by developing work standards to improve picking and packaging processes
- Use SAP's warehouse management system (WMS) to monitor facilities storage capacity utilization and distribute reports to inbound / outbound managers, and operations director
- Revised standard operating procedures for the picking and packaging lines based on meetings with the labor management leadership team at L'Oréal and SalonCentric

Bob Evans – York, PA  
*Food Server* *May 2018-Mar 2021*

- Ensured that restaurant guests received food and drink in a timely and professional manner
- Maintained a clean work environment

## RELEVANT COURSE WORK

*Lean Systems* *Aug 2021 – Dec 2021*

- Mapped the 'pick-pack-ship' process using a flowchart with hyperlinks to provide a detailed instructional overview of the distribution center activities

Tools used: Vidgrid, MS PowerPoint, Lucid Charts, 5S methodology

*Operations Management / Lean Management* *Aug 2021 – Dec 2021*

- Measured operational KPI's to improve the initial process flow and layout design of the clock simulation assembly

Tools used: MS Excel, Heijunka (load leveling), Bottleneck Analysis Takt and Cycle Time

*Logistics Management* *Aug 2021 – Dec 2021*

- Utilized MS excel to optimize a distribution network while minimizing costs.

Tools used: Solver

## LEADERSHIP/VOLUNTEER EXPERIENCE
